After a storm, Maya finds Sprout in need of help. She feels determined to fix it!

Oh no, Sprout!

Her grandfather kneels beside Maya, ready to help. He believes in her curiosity!

Let's investigate together, Maya!

Maya carefully investigates Sprout. A loose wire catches her eye!

I found something!

Maya reconnects the wire, excited and focused. She knows she can fix it!

Great job, Maya!

Sprout suddenly powers up and sprays water everywhere! Laughter fills the
Whoa! Sprout's **awake!**

Together they fix the settings, and Sprout starts watering the garden. They cheer for their hard work!

Well done, Maya!
